New stores open in town

Adams Mall is the site for two of the three stores that have recently opened their doors to the Pullman community. The Belly Stop is an original name for the convenience store that opened in the mall last Wednesday.

The store's owner, Bill Millsap, has stocked the store with all sorts of "munchies and groceries," said his son Bill Millsap, a store employee.

A microwave is available to heat up sandwiches, pizza and burritos and a greater selection of heatable foods is planned, said Millsap.

Millsap said his father has applied for a liquor license to add beer and wine to the store's selection. He said business will improve greatly if the application goes through as he gets many requests for the beverages.

The Belly Stop is open Sunday through Thursday from 10 a.m. to midnight. On Friday and Saturday, the store opens at 10 a.m. and closes at 2 a.m.

Also new to the Adams Mall is the Ala Mode, a pie, ice cream and limited food establishment.

Owners Ted and Sandy Weatherby offer about 20 flavors of ice cream ranging from chocolate chip mint to cinnamon swirl. Employee Tom Knox said prices are extremely competitive with the other ice cream establishment in town.

Milkshakes are also offered at Ala Mode.

Served with the ice cream, if desired, are many selections of homemade pies. Chocolate, banana and vanilla cream pie, along with cheesecake or frozen lime pie are a few of the possible selections.

Hot dogs, German sausages, and chili cheese pits (pocket bread filled with chili and cheese) are some of the food items available.

Ala Mode is open from 10 a.m. to 10 p.m. every day. Another new convenience store to hit Pullman is the Sunset Mart on Grand Avenue, formerly the Fainco gas station.

The gas station is still owned by Pat Fainbrooks, of Spokane, but now is in a joint venture with Sunset Mart owners, Ron and Pat Asker of Lewiston.

The store was finished Feb. 22 and offers all the things a convenience store should, said manager Colleen Huntington.
